

# Newton Pride 5K Stride Run/Walk Newton H.S. Newton, NJ

## DETAILED START/FINISH

All Directions are provided relative to the running direction.

**Start:** On the Southwest driveway between Newton High School (HS) and the 4<sup>th</sup> tennis court fence pole (facing Southeast) across from Newton High School's western end on the entranceway from Ryerson Avenue.

**Mile 1:** On the corner of Foster St and Ryerson Avenue (facing North) 3ft BEFORE Utility Pole NT408 which is across Ryerson in front of the Hiff-Ruggiero Funeral Home.

**Mile 2:** Between the 2nd and 3rd development (private, Bristol Glens UM Homes) lighting poles (facing East) in-line with the distant utility pole across the driveway and the grassy patch of land to the Northeast.

**Mile 3:** On the exit bend of the driveway (facing East) behind Newton High School in line with the second post from the doors and Utility Pole NJ959 NT 250 HPS which is positioned on the Northend of the driveway exit bend.

**Finish:** Finish (facing Southwest) on the driveway behind Newton High School (HS) at the East cement wall's edge in front of the Western most rear HS entrance doorway.

**Special Notes:** At the start the runners will quickly exit Newton High School through the Southwest entrance of the school onto Ryerson Ave.

**Turn-by-Turn Directions:** Participants will proceed out of the driveway (adj tennis courts) and make an immediate right on Ryerson Avenue, then the next right onto Condit Street, to the end turning right on West End Avenue followed by a right onto Foster completing the square back onto Ryerson. Participants will then continue with a left onto W. Nelson Place followed by a right onto Plainfield Avenue continuing left onto Carriage Lane which traverses into Barry Lane and reintersecting Ryerson making a left. From Ryerson the participants will travel counter clockwise around the Bristol Glen United Methodist Homes complex back to Ryerson. Once back on Ryerson the participants will continue past the start driveway to the exist driveway at the Northeast end of the school making a left into the school and following the roadway around the back of the school to the finish which is located at the Southwest corner of the school.
